ENVIRONMENT MANAGEMENT SYSTEM POLICY

We, at NORTH BENGAL ST. XAVIER'S COLLEGE, are committed to enhance our stakeholders' satisfaction through continual improvement in managing our environmental issues, which includes meeting legal and other requirements. We are committed to effective application and review of the Environmental Management System by:

- Providing appropriate training to employees and students in order to enhance their awareness on environmental aspects, especially regarding the adoption of suitable methods and operational control procedures.
- Being proactive to ensure timely delivery of services.
- Complying with all applicable legal and other requirements.
- Conserving natural resources and energy by responsible and efficient use.
- Committing to environmental protection by preventing its injury and ill health, and effecting continual improvement in environmental management and performance.
- Being a responsible employer by providing all necessary resources required towards enhancing environmental awareness of the employees, suppliers, contractors and visitors.
- Providing a framework for setting and reviewing the organization's environmental policy, objectives and targets.
- Developing environmental programs and initiating action towards continual improvement.
- Providing and maintaining safe working environments and conditions.
- Ensuring all employees and students play an active part in maintaining the healthy environment of the organization by consulting with them and providing them with adequate information, instruction, and training.
