Academic Year 2022 – 23

Saint Francis Xavier (1506-1552): Patron of our College

Born in a noble family as Francisco Javier (in Spanish) or Francis Xavier (in English) at a place called Javier in the Kingdom of Navarre (in present-day Spain), he was a companion of Ignatius of Loyola and one of the first seven Jesuits who started the international Catholic men's congregation called Society of Jesus (Jesuit Order). After having acquired Master's Degree from the University of Paris, he led an extensive mission from 1534 into Asia, mainly in the Portuguese Empire of the time and was influential in evangelization work, most notably in India but even beyond in Japan, Borneo, Malacca, Macau and the Maluku Islands. In his attempt to extend his missionary preaching to mainland China, he died on Shangchuan Island in 1552. His incorrupt body was brought to Goa and his non-composing state of body remains even after 450 years and is kept in Silver Casket at Bom Jesus, Goa. He is credited with establishing St. Paul's College (in Old Goa) the first Jesuit College in India in 1542.

COLLEGE PRAYER SONG

I am carrying you on my eagle's wings
I am leading you on eternal springs (refrain)
Lord, my life is filled with peace and love divine;
By your countless blessings, everyday does shine;
Cradled like child, I am safe within your arms;
Guarded I'm and fearless, from life's every harm.

I am carrying you on my eagle's wings
I am leading you on eternal springs (refrain)
Failures and successes cross my life's long way:
From all devious turnings, keep me straight I pray;
Like a wayward child, I am fickle, proud and vain;
From you when I stray, bring me back again.

I am carrying you on my eagle's wings
I am leading you on eternal springs (refrain)
Months and years of college, they keep passing by;
Helping to achieve the goals before me lie;
Wisdom sure and clear, to light up darkest ways;
Values steer safe life's bark, midst all stormy days

I am carrying you on my eagle's wings
I am leading you on eternal springs (refrain)

Text of music by: Fr. Arthur Rasquinha, S. J

Prayer of St. Ignatius Loyola

Teach us, Lord,
To serve you as you deserve
To give and not to count the cost
To fight and not to head the wounds
To toil and not to seek for rest
To labour and not to ask for any reward
Serve that of knowing
That we do your will, Amen

SOCIETY OF JESUS(THE JESUITS)

The Society of Jesus, a Christian Religious Order founded by St. Ignatius of Loyola in 1540, has been active in the field of education throughout the world since its origin. The Society is responsible for 1865 Educational Institutions in 65 countries. These Institutions engage the efforts of approximately 98,500 teachers. They educate approximately 1800,000 students. Rev. Fr. Arturo Sosa is the present Superior General of the Jesuits.

In India, the Society of Jesus is responsible for 388 Schools, 68 Colleges, 14 Technical Institutes, 22 Business Administration/Management Institutes, 13 B.Ed. colleges and two Xavier Universities, 1 Law College and 1 Engineering & Technology College with approximately 8,500 teachers educating 3,50,000 students belonging to every social class, community and linguistic group.

The Jesuit College aims at the integral, personal formation of youth. To accomplish this, special efforts are made:

- ❖ to help the students to become mature, spiritually-oriented men and women of character
- ❖ to encourage them continuously to strive after excellence in every field
- ❖ to value and judiciously use their freedom
- ❖ to be clear and firm on principles and courageous in action
- ❖ to be unselfish in the service of humanity
- ❖ to become agents of needed social change in their country

The Jesuit College thus aims at making its own contribution towards a transformation of the present-day social condition so that principles of social justice, equality of opportunities, genuine freedom, respect for moral and religious values, enshrined in the Constitutions of India, may prevail, and the possibility of living a fully human life may be open before all.

The Jesuit tradition of education in India began in 1542 when St. Francis Xavier, one of the first members of the Society of Jesus, reached Goa. It is in his memory, and under his holy patronage, that **North Bengal St. Xavier's College (NBSXC)** was established in 2007. After holding the first session in Matigara as a temporary arrangement, the college moved to Rajganj in 2008. In July 2016, the college expanded to establish its Siliguri Campus offering BBA & B.Com courses there.

Brief History of North Bengal St. Xavier's College

North Bengal St. Xavier's College (NBSXC) is a Christian Minority Institution established in 2007 by the Darjeeling Jesuits of North Bengal with permanent affiliation to the University of North Bengal. Through its twin campuses in Rajganj and Siliguri, NBSXC offers undergraduate courses in Arts, Science, Commerce and Business Administration. It also offers UGC-affiliated career-oriented courses. The community college section of North Bengal St. Xavier's College also gives skill training to the marginalized and the underprivileged groups of our society. The college's 32 acres green campus has well-equipped classrooms with digital projection and audio-visual facility, modern laboratories, well-stocked seminar, and central libraries, boys' and girls' hostels, a large auditorium and seminar hall, big sports ground, canteen and cafeteria. A range of student support services is also available across the college to provide course advice, counseling services, and career planning and study options. In the last seven batches, 15 of our students emerged University Toppers with 8 gold medals and 7 silver medals. In 2020 NAAC accredited the college with B+ (1st cycle). The uniqueness of North Bengal St. Xavier's College, however, is to be found not in concrete structures but in its care for the holistic development of its students. The ultimate mission of North Bengal St. Xavier's College is to contribute in a social transformation so that justice, equality of opportunity, genuine freedom and respect for the values enshrined in the Constitutions of India may prevail, and the possibility of living a fully human life may be open before all. Through highs and lows, rain and sunshine, the college continues to uphold the motto ***GyanVigyanVimuktaye***— Knowledge and Wisdom Liberate as a pledge to strive for dispelling the darkness of ignorance from within the individual and from society at large.
